

ALABAMA REPORTER.
THURSDAY MORNING, March 8th.

Mr. T. H. Wilson's sale of land, by E. C. Wilson, Shelby county, is postponed until the 2d Monday in April next.

Col. James Lawson and H. H. Hamil were, on Monday last, selected Magistrates for this beat, and Jas. S. Shaw elected Constable.

Small Pox.

The small pox is on the decline in our town, there is but one case we know of. We are pleased to note that Dr. McMillan's family have all recovered. The Doctor has been very unfortunate lately. He was thrown from a horse last Fall and had his leg broken; before he had entirely recovered the use of his leg, several cases of small pox occurred in his family. The consequence is, he has not practised his profession for some months, but we are happy to learn, is now about to resume his profession. We hope the Doctor will receive a liberal share of sympathy in our community. We recommend him to be a good physician and a clever and accomodating gentleman.

Editor. — Since writing the above we learn that several cases of small pox have been reported at the City House, from another community.

OBITUARY.

Mr. T. J. BRADFORD
Treas. of the residence of James W. Hardee, is at the place on the 4th inst.

Gen. Bradford was an old citizen of Talladega, having lived in this county for the last thirty years or upwards. He was kind, generous and benevolent, and respected by all who knew him.

The community has lost a good and estimable man.

Vanderlin & Draper are receiving a fresh supply of Groceries which they wish to sell. All those who want groceries would do well to call on them; they will sell at no less than one-half. They are accomodating gentlemen and we bespeak for them a liberal share of patronage. Their house is on Main street, 22nd door below Bingham's corner.

Mrs. Smith & Chambers notice us to inform that they are receiving a large supply of FAMILY GROCERIES, which they will sell at no less than one-half. They have barrels and sacks. Give them a call whether you purchase or not. You will find them to be clever and accomodating gentlemen.

We refer our readers to the advertisement of Thomas Draper, Watch and Clock Maker. He has just opened a shop in our town and is prepared to repair all kinds of watches, clocks, jewelry, etc. He understands his business thoroughly. His work is a good guarantee. Give him a call; his shop is in Massey's Drug Store.

Read the advertisement of Thurber & Co., Mobile. This is an old and reliable firm. Mr. Thurber has been in the commission and forwarding business for many years. He's a clever and accomodating gentleman.

Thomas Warwick.

A called communication of Talladega Lodge, No. 281, of Feb. and Acquired Masons, which met February 26th, 1865, for the purpose of committing to the dust, with Masonic honors, the beloved wife of Col. Wm. H. Thompson, Thomas Warwick, who died at his residence in this place, on Sabbath, February 26th, 1865, at the age of 51.

Brother. Therefore, That in the death of brother Warwick, this Lodge and the Masonic Fraternity have lost a brother and friend. Every Mason who will, will readily testify that he was faithfully devoted to the principles of the order and delighted in practically illustrating cardinal virtues; — that in his designs he made no mistakes in the way of friends; — that trials and tempests tried him for weeks, ready to respond to the calls of the trial committee, and always did his brotherly love and neighbor, and therefore he was "a true and worthy brother."

Resolves. That in the death of our brother, we mourn him as one who died in the service of his wife, — a son, and who we extend to them "our confidence, and Masonic and religious sympathy, regarding them that have lost the Lord, for their chastened," and that we will do our best to help him and will comfort his relatives on the other. "The Judge of all the earth will do right."

Resolutions. That we wear the mourning for three years.

Resolutions. That the preamble and resolutions be spread upon a page in a corner book; published in the Talladega papers, and that a copy be furnished the family.

Committee. R. B. CRAWFORD,
H. H. HAMIL.

McMillan, recorded in the Probate office of Shelby County in the Probate Book N. of Records, on pages 275 and 276, I will sell before the Court House door in Columbia, in said county, on the Monday next after April 1st, 1865, the following described real estate in said county, to-wit: The N.
